5XL	62"-64"	39.62"	29.00"
6XL	66"-68"	39.88"	29.00"

-Our jackets are unisex.

-Use the measurements to determine a size. You can add or take off 2" or 4" on sleeve and body length.

-Remember to account for growing room or if you like to wear sweatshirts for hoodies underneath.

-Most schools' jackets are quilted lining which may add additional bulk to you jacket and effect the sizing.

How To Measure:

CHEST: With arms relaxed at your sides, measure around your chest at the armpits, over the highest part of your chest and shoulder blades, keeping the tape parallel to the floor.

ARMS: Bend your elbow 90 degrees and place your hand on your hip. Hold the tape at the center back of your neck. Measure across your shoulder to your elbow, and down to your wrist. The total length in inches is your sleeve length. You may add or take off 2" or 4" of sleeve length at no extra charge.

BODY LENGTH: The body length measurements listed above can be compared by measuring at the center of your neck down the center of your back. You may add or take off 2" or 4" of body length at no extra charge.
